

## AACA Regional Meeting Sponsorship

AACA Regional Meetings are a great way to get your company's products/services in front of a targeted group of attendees. The meetings typically draw 60 – 75 people. Attendees are teaching faculty, non-transplant anatomical donation program directors and staff, anatomy and bio skills training laboratory staff, postdocs, graduate and undergraduate students, as well as health professional clinical faculty and residents. These members of the Association represent a wide variety of backgrounds with experience in research, clinical practice, clinical research, teaching in accredited Colleges and Universities, administrative or other aspects of the field.
