2019 Annual Dues Notice

Dear Colleague:

Now that we have welcomed in the New Year, it is time to send your annual dues payment to keep your membership in AACA active. Due to rising publishing costs, all AACA members eligible to receive a journal will be receiving electronic journal access unless otherwise requested. If you wish to receive the hard copy, please contact our representatives from Association Services Group: Executive Director, Caitlin Hyatt (chyatt@asgifo.net), or Kendra Tyner, Program Services Coordinator (kytyner@asginfo.net) so that your preference can be placed into the appropriate hard-copy category *before* you pay your dues. Members requesting a hard copy of the journal will be charged an additional fee to cover the costs of printing the journal.

All payments to the AACA (annual dues, Annual Scientific Meeting registration, Postgraduate Course registration, etc.) are directed through the following link: <https://clinical-anatomy.starchapter.com/members.php>. Once you have located the site, your AACA I.D. is the email address you use with the Association and you should have a password already set up (click on forgot password if you have not already created one). If you have difficulty logging into the system, please contact Kendra Tyner (kytyner@asginfo.net).

There are 3 ways to submit your payment:

1. **Credit card ONLINE** through a secure server. *Visa, MasterCard, and American Express* are all accepted for your convenience.
 - **International members:** Currently, the AACA website is having difficulty accepting international credit cards. If you are located outside of the use, please select the button that says "Bypass Payment" when you get to the payment screen. After you complete the online renewal form, please email Kendra Tyner, AACA Program Services Coordinator, at kytyner@asginfo.net to coordinate your payment via credit card.
2. **Credit card by MAIL or FAX:** Using this method you must not only include your credit card number and expiration date, but also the address to which the card's billing statement is sent (to verify the transaction if requested by the card issuer).
3. **CHECK by MAIL** (personal, institutional, etc.). Please note that if you pay by check, *all payments must be in U.S. dollars drawn on a U.S. banking institution*.
 - *Foreign checks and currencies cannot be accepted at this time due to the high processing fees associated with these funds (often over 50% of the checks value).*
 - If an institutional check is used for payment, please make certain the members name(s) appear on the check.

Once you have logged into the AACA Website, simply follow the instructions for membership renewal. If you plan to use a credit card, this can be done on the site. If you prefer an invoice, you can have one printed from the site or use the invoice that follows.
