

Anatomical Services Award

Betty Zhang

McMaster University

Did you win a Poster or Platform presentation? Poster presentation

Title of winning presentation: Continued Validation of a Scale for Assessing Soft Embalming Solutions for Surgical Skills Training

Your contact Email and telephone information: betty.zhang@queensu.ca

Your current position: Medical student

Your advisor: Dr. Bruce Wainman (wainmanb@mcmaster.ca), Professor, Department of Pathology and Molecular Medicine, Director, Education Program in Anatomy and Surgical Skills Center, McMaster University, Hamilton, Ontario, Canada

Your Undergraduate and previous graduate training (if any): Bachelor of Health Sciences at McMaster University

Your hometown: Ottawa, Ontario, Canada

Hobbies and or Special Interests: My hobbies include walking my dog, hiking, travelling, and both listening to and making classical music. For special interests, I recently took part in a seaplane tour and it was very cool to see the city from an aerial perspective – I hope to be able to do more of these tours!

What would you like to see yourself doing 10 years from now? Practicing as a physician while continuing to conduct research and learn more about anatomical donation and education.
