

Anatomical Services Award

Jessica Bergden, DC, PhD

Your Institution: University of Texas Health Science Center San Antonio

Did you win a Poster or Platform presentation? Poster

Title of winning presentation: Novel Active-Learning Methods for Teaching Brachial Plexus Injuries: A Mixed-Methods Study

Your current position: Assistant Professor & Director of Pre-Professional Graduate Certificate Program

Your advisor: Jennifer Brueckner-Collins, PhD

Your Undergraduate and previous graduate training (if any):

Undergraduate: Purdue University

Professional: Palmer College of Chiropractic

Graduate Anatomy Training: University of Colorado Anschutz Medical Campus (MS) & University of Louisville School of Medicine (PhD)

Your hometown: Warwick, RI. Currently living in San Antonio, TX.

Hobbies and or Special Interests: Playing piano, knitting and crocheting, hiking, cycling, going to the beach...anything outdoors!

What would you like to see yourself doing 10 years from now? I see myself doing what I currently love-connecting with students while teaching the anatomical sciences and researching more effective ways to educate the next generation of physicians and healthcare professionals.
